

We are glad to announce the Saudi Water Forum 2021 in a new full hybrid format combining all physical and virtual event components to produce a truly unique inclusive event experience.

Participants, speakers and exhibitors from all-over the world will be able to attend the event virtually and connect with their physical counterparts in the venue through live session streaming and high seamless engagement features such as discussion forums, live Q & A, polls, and physical & virtual exhibition accessibility.

- Physical attendance is subject to precautionary measures
- Virtual participation for attendees outside the Kingdom
